

Dear Colleague,

POSTER ABSTRACT SUBMISSION CLOSING THURSDAY!

If you are considering submitting an abstract to present as a poster at the 19th Lorne Proteomics Symposium do not delay, the deadline for submission is **Thursday 28th November 2013**. Follow this link to the [abstract](#) submission page.

Students are invited to enter the APS Poster Competition sponsored by Proteomics Metabolomics Victoria and the Australia Proteome Analysis Facility. Students have the chance to win one of *six \$250 cash prizes!* Submit your [abstract](#) now to be in the running to win.

TRAVEL GRANT APPLICATIONS

Travel Grants will be awarded to students based in Western Australia and New Zealand to assist in the travel costs to Lorne. Each award will be between \$300 - \$500* and will be given to awardees at the conference.

Please visit the [APS Awards page](#) for eligibility and submission details.

APS PRE-LORNE WORKSHOP FEB 5th

In the Pre-Lorne Workshop Prof Donald Hunt will focus on “An understanding and application of ETD mass spectrometry”.

Date: Wednesday 5th February beginning at 8:30am at Bio21, The University of Melbourne

For more information please [click here](#). To register [click here](#).

ISEV PRE-LORNE WORKSHOP FEB 3rd - 4th

The International Society for Extracellular Vesicles (ISEV) is holding a workshop in Melbourne focused on Proteomics and Lipidomics. The goal of this research workshop is to bring together experts in the extracellular vesicle field to discuss the technical challenges, to define standards for EV research, informatics, and analysis and to share knowledge and experience. This is a free workshop with attendance limited to less than 100, with all attendees being actively involved in EV proteomic and lipidomic research and having to contribute to the program / discussion.
